BOOK SYNOPSIS

"Campesino a Campesino is the first book to tell the story of the Farmer to Farmer movement which developed in southern Mexico and war-torn Central America over the last three decades. Eric Holt-Gimenez describes the social, political, economic, and environmental circumstances that shape the movement. It vividly brings to life the hopeful stories of peasant farmers helping one another to farm sustainably, protecting their land, their environment, and their families future."--BOOK JACKET.
